ALL THAT WE DO UPDATE

New member of the family.... THE OLD BREWERY HOUSE

For those out of the Norfolk grapevine, we were delighted to purchase The Old Brewery, Reepham in November 2013.

Some brief notes:

- Thinking of changing it back to The Dial House, its former name
- Proposing a fairly major switch of offer - From pub, hotel, banqueting hall, sports club to cafe, retail shop, B&B & residential houses
- We hope to open the cafe and shop around July if all goes well.

For updates and news specifically on the OBH, please send your email address to info@ournorfolk.org.uk

SIGNATURE MENU FOR BYFORDS

Following the arrival in late summer of Richard Knights, Byfords new Head Chef, we went live on a new menu just before Christmas. Many of the old favourites back on the menu, together with some great new dishes. We are working towards the perfect match - a signature menu that will be a collection of dishes that we know and love and look for when visiting Byfords, and in addition, a daily list of specials that will give seasonality and interest. Got a favourite dish? Email Richard on richthechef@hotmail.com
